About MANIT, Bhopal

Maulana Azad National Institute of Technology (MANIT), an Institution of National Importance, was formerly known as Maulana Azad College of Technology (MACT). Institute is named after the great scholar and 1st Education Minister of Govt. of India, Maulana Abdul Kalam Azad. The Govt. of India and Govt. of Madhya Pradesh jointly sponsored the Institute in 1960 to attract bright young engineering students across the country. Institute is successfully producing highest quality skilled manpower to cope up with challenges of modern technological advances with more than 250 faculties and 6000 students. The Institute offers 09 UG and 30 PG courses and also Ph.D. research programmes. Bhopal is the capital of Madhya Pradesh and is known as city of Lakes. It is well connected by air, rail and roads. The Institute is about 7 km from Bhopal railway junction. Weather of Bhopal is normally pleasant in September month and temperature varies from 10^o-25^oC.

Objectives

This conference aims to present recent innovations and developments in the field of products and productivity enhancements, mechanical & industrial engineering and their marketability with the changing global scenario. It also intends to showcase the issues and challenges in the recent time. The interactive platform of conference will be helpful to explore the future research prospects between participants and to minimize the industry- academia gap. It also provides a strong research platform to faculties, researchers and PG students and Industry professionals to establish a collaborative relationship among academicians.

Publication of All the Accepted Papers

All the accepted papers on MPPM 2021 will be published in either of the following Special Issue of Scopus indexed Journal IJATEE or in form of Book chapters of the Edited Book (Walnut Publications) based on the choice of participants, quality and topic of the paper. Details of the Journal and E-Book are as follows:

1. About 20 papers will be published in Special Issue of the Scopus Indexed International Journal of Advanced Technology and Engineering Exploration (IJATEE) (Accents Journals)

Title of Special issue: "Advances in Manufacturing and Industry 4.0"

2. Rest of all the accepted papers of MPPM 2021 will be published in the form of following two Edited Books with ISBN Numbers (Walnut publications): This is to be noted that for Walnut Publications there is no additional publication fee except our conference registration fee. Based on the Paper Title the papers will be published in anyone of the following Edited Book titles with ISBN Numbers:

- 1. Recent Innovations in Mechanical Engineering**
- 2. Industrial Engineering and Management for Productivity enhancement**
